

THE COURT: All right. Substitute "Friday" for "today" and please read the question as amended, Mr. Stenographer.

(Question read.)

MR. MURPHY: Now, ^{as} I stated, I submit the question as amended would not make any sense.

THE COURT: Objection sustained.

Q Did you not say again this morning that it was at Auchentoroly Terrace? A I don't think you asked me, did you? If you did and if you do now, he was.

Q You went into Volta Place, as I get it, through this gate here, that is on Government's Exhibit 30. Can you see that, Mrs. Chambers? If you do not and if you don't mind my coming right there to show you. Is that right?

A Yes, there is the gate.

THE COURT: Exhibit 38 what, Mr. Stryker?

THE CLERK: There are three of them in there, your Honor.

THE COURT: Yes. Each one of them is separately marked.

MR. STRYKER: I will have to get a little help here.

This would be 30-C, Judge.

THE COURT: 30-C, all right.
